

# BIG YELLOW CAB™

## GOLD

Denver International  
Wine Competition 2006

2003 **BIG YELLOW CAB™**

The only gold medal in the Cabernet Sauvignon category. Finishing ahead of more than 50 other Cabernet Sauvignons.

Black fruit aromas of plum and berry mingle with a whiff of toasty oak and just a suggestion of cedar. The mouth feel is medium-rich, with flavors of juicy pomegranate, tangy, dried cherry and a light touch of clove spice.

With plenty of flavor and character, Big Yellow Cab is the perfect vehicle for any number of fares: grilled T-bone steak, pasta puttanesca or a first rate hunk of Gouda.
