

PAUL DOLAN®

VINEYARDS

California Certified Organic Farmers (CCOF)

- No toxic herbicides, pesticides, or fertilizers.
- Sulfites; less than 1/3 the limit of conventional non-organically grown wines, up to 100 ppm [0.01% by vol] to prevent spoilage and browning.
- The Certification: Vineyard must practice organic farming standards for 3 years before certification, annual review by CCOF.

Glyphosate / Roundup-Free

- No glyphosate is used in our vineyards.

Not Just Organic

“Paul Dolan is a go-to brand for moderately priced Cabernet.”
