2016 Mendocino County Artist's Red (Best Buy) Berries go wild in this effusive *glou glou* from vineyards near Ukiah—mostly estate fruit grown close to the Russian River. Bob Swain blended this vintage from syrah and petite sirah, along with a little zinfandel. He aged it in a range of vessels, mostly neutral French and American oak barrels, producing a clean, brisk and focused red, a wine to open around the grill and enjoy all night long. (1,000 cases)—J.G.
