MENDOCINO WINE COMPANY

SUSTAINABLE FARMING & WINEMAKING

As a family-owned and operated business we believe it is our responsibility to live by a simple principle - we leave things better than we found them. This principle permeates our culture but is perhaps most apparent in our sustainability efforts.

RECOGNITION FOR ENVIRONMENTAL LEADERSHIP

We have garnered national recognition for our environmental innovation and excellence. Awards include 2007, 2010, and 2014 Governor's Environmental and Economic Leadership Award (GEELA) and the 2011 Botanical Research Institute of Texas (BRIT) International Award of Excellence in Sustainable Winegrowing.

-Tim Thornhill, Owner & COO-
