

AS SEEN IN THE OCTOBER 2019 ISSUE

**94 Paul Dolan 2016 Cabernet Sauvignon (Mendocino County).** This is a huge, muscular but agile wine made from organically grown grapes. Fragrant aromas of French oak spices are followed by concentrated layers of black cherry, cinnamon, black currant and clove. Supported by a big, velvety frame of soft tannins, it is seductive now and will improve through 2026. *Cellar Selection.* —J.G.
