VINEYARDS

2020 SAUVIGNON BLANC

MENDOCINO COUNTY

Paul Dolan Vineyards is located in the heart of Mendocino County, Northern California, a secluded land of rich biological diversity and unique microclimates. Grapes are sourced from meticulously tended vineyards, and our balanced winemaking practices support each bottling's expression of terroir for wines of unforgettable character.

Grown along the northern banks of the Russian River, a region prized for its vibrant, lush wines, the Paul Dolan Vineyards Sauvignon Blanc has a bright, juicy nose of apricot with hints of lemon and jasmine blossom. On the palate, fresh white peach and early apricot marries with the wines' bright citrus notes. It is a crisp, clean wine with a refreshingly zesty well balanced finish.
