## 2021 SAUVIGNON BLANC

MENDOCINO COUNTY

Paul Dolan Vineyards is located in the heart of Mendocino County, Northern California, a secluded land of rich biological diversity and unique microclimates. Grapes are sourced from meticulously tended vineyards, and our balanced winemaking practices support each bottling's expression of terroir for wines of unforgettable character.

Grown along the northern banks of the Russian River, a region prized for its vibrant, lush wines, the Paul Dolan Vineyards Sauvignon Blanc has a lovely, bright nose of gooseberry, tangerine and white peach, complimented by a touch of wet stone minerality. On the palate, the rich stone fruit flavors are balanced by zippy citrus and tropical fruit notes. Crisp and refreshing, this is a wine of medium body and balanced acidity with a long mouthwatering finish.
