

ZIN★PHOMANIAC

Old Vine Zinfandel

2021 Zinfandel

Unbeatable Lodi Zin

Lodi is the undisputed Queen of California Zinfandel. Her reign is solidified from nearly 150 years of the varietal being farmed in the region, with deep roots in sandy loam soil and canopies thriving in the ideal Mediterranean climate.

The 2021 growing season in Lodi was characterized by drought conditions that continued through the year. Without the benefit of winter rainfall, yields, particularly in older vines, were reduced and the region saw average to light-average yields overall. Harvest began in early August and by the beginning of September all major varietals began to ripen simultaneously with the fruit showing excellent concentration of flavor and color.

Tasting Notes

This voluptuous Zinfandel boasts aromas of ripe, crushed cherry with hints of black tea and zesty peppery spiciness. Bright red-fruit flavors and brooding blackberry mingle with the wine's rich earthy notes, carrying through to a pleasantly spicy finish.

Appellation: Lodi

TA: 0.58 g/100mL

Ph: 3.59

Alcohol: 15.5%

Cases: 2,478 9L
