

PAUL DOLAN VINEYARDS

MENDOCINO

2022 Paul Dolan Vineyards Sauvignon Blanc

Vineyards

Paul Dolan Vineyards Sauvignon Blanc is sourced from the McFadden Vineyard in Potter Valley, Mendocino County. Located at the headwaters of the East Fork of the Russian River, upland Potter Valley is 200 feet higher than surrounding areas and sees great day-night temperature variations. These variations lead to strong, but refined, character in Sauvignon Blanc.

Tasting Notes

Brilliant golden-green in hue, the Paul Dolan Sauvignon blanc shows tantalizing aromas of melon and pear with fresh tropical fruit. On the palate, the tropical notes carry through to a mouthwatering crispness that is rounded out by ripe green apple, honeydew, and zesty citrus. Full-flavored and beautifully balanced, it is a wine that invites another sip and pairs magnificently with a variety of foods.
