2021 Paul Dolan Vineyards Estate Cabernet Sauvignon

Vineyards

Paul Dolan Vineyards Estate Cabernet Sauvignon is sourced from two single vineyard sites in the heart of Mendocino County – La Ribera Vineyard and Home Ranch Vineyard. Bounded by the Russian River and Mayacamas mountains, La Ribera Vineyard is a patchwork of soils and a perfect medium for growing bright aromatic fruit. The Home Ranch Vineyard, rests on benchland 0.9 miles from the river, an area reminiscent to the Medoc region, leading to highly concentrated fruit with nicely structured tannins.

Tasting Notes

Brilliant ruby in color, the Paul Dolan Cabernet Sauvignon has enticing aromas of ripe cherry with hints of cedar and a warm earthy undertone. An elegant wine with a round mouthfeel and firm youthful tannins, complimented by brambly blackberry and dark huckleberry flavors. Subtle notes of nutmeg and cinnamon spice from the oak round the rich fruit in a full-palate that carries from start to finish.
