Cabernet Sauvignon
Mendocino Collection

Vintage | 2021

HISTORY

Sketchbook Mendocino Collection is an expression of the real people, places, and tastes of Mendocino County, Northern California – a region celebrated for its wild natural beauty, free-spirited culture, and generations of independent grape growers. Each Sketchbook wine is a master class in the art of observation, beginning – as great artworks do – with humble, honest attention to the unique characteristics of each vineyard, vine, and vintage.

TASTING NOTES

A rugged and majestic region with 97 percent mountain land, and winegrowing spanning from warmer inland regions to the cool Pacific Ocean, Mendocino County's rocky hillsides grow Cabernet Sauvignon grapes of remarkable character and complexity.

Brilliant ruby red in color, the 2021 Sketchbook Cabernet Sauvignon has warm aromas of cinnamon, clove, and vanilla balanced by bright notes of fresh tart plum and cassis. On the palate, the wine's vibrant red fruit is complimented by dark cherry, mulberry, and rum raisin flavors. An approachable full-bodied wine with soft tannins that carry through to a juicy, lingering finish.
