

PAUL DOLAN VINEYARDS

MENDOCINO

2023 Paul Dolan Vineyards Estate Cabernet Sauvignon

Vineyards

Paul Dolan Vineyards Estate Cabernet Sauvignon is sourced from a single vineyard site in the heart of Mendocino County – Home Ranch Vineyard. Resting on a benchland 0.9 miles from the Russian River, an area reminiscent of the Medoc region, the Home Ranch Vineyard produces Cabernet Sauvignon of great concentration with nicely structured, elegant tannins.

Tasting Notes

Deep crimson in color, the 2023 Paul Dolan Cabernet Sauvignon has enticing aromas of cherry and red fruit that marry with the wine's light floral notes. On the palate, flavors of red plum, black cherry, and blackberry intertwine with hints of baking spice and dried herbs. A medium bodied wine with youthful tannins and fresh bright fruit that carries through to a full finish.
