

SKETCHBOOK

2022 Cabernet Sauvignon

Mendocino County

HISTORY

Sketchbook brings to life the wines of Mendocino County – a region celebrated for its wild natural beauty and over 150 years of winemaking tradition. Drawing from this rich heritage, each wine is a masterpiece, expressing the region’s unique terroir and artistry.

The Sketchbook Cabernet Sauvignon label features towering Redwood trees, celebrating the strength and depth of character found in our wine, echoing the enduring legacy of winemaking in Mendocino County.

TASTING NOTES

Bright garnet in color with aromas of pomegranate, cranberry, and black cherry married with hints of cedar and vanilla. Notes of cherry carry through to the palate, complimented by flavors of summer berries, clove, and a kiss of toasted coconut. A medium bodied wine with elegant tannins, balancing rich juicy fruit with soft spice that carries through to a pleasing, well-rounded finish.
